Hello to our Community Y Panthers Parents, Guardians and Participants,

We wanted to write to you to let you know about the upcoming 2020/2021 Basketball season.

The Metro Basketball Association (MBANS) held a board meeting last week in an effort to solidify dates of play for this upcoming season. Unfortunately, with the uncertainty around COVID-19 they have delayed the league start date until **January 2021**.

The Community Y will be working with MBANS to solidify plans for the shorter season and we will be in touch with any new information. As I am sure you can imagine, this is an evolving situation.

Currently, we are making plans to offer our basketball families a modified basketball program this fall. More details about this program will be released in the coming weeks. Please check our website for details.

If you have any questions or concerns, please reach out to TL Johannesson, Manager of Child and Youth Programs. tl.johannesson@halifax.ymca.ca

Thank you,
